PLEASE NOTE:

We are a **SOCKS ONLY** facility. Kindly leave your shoes at the door to ensure the facility stays clean for your little ones. For the safety of your children, we only allow socks with a grip bottom or soft indoor slippers. In case you forget your grippy socks, we have a selection of socks for sale.

All campers will receive one MTT t-shirt to wear that will be mandatory during all camp days. If a replacement is needed, additional t-shirts can be purchased for \$20 each.

Snacks and Lunch

Healthy snacks will be provided but lunch is not provided so please make sure all lunch bags and containers are clearly labelled with the child's name. All campers will have time to eat a snack or lunch from home during camp hours. Please send peanut free items, as any items containing peanuts will be returned and no replacements will be given.

Weekly Fees

Full payment is required to confirm your booking. There is no reduction in fees or refunds if your child is absent on any day during their scheduled weeks of camp.

Payments can be made online or by e-transfer to payments@midtownstinytots.com. Receipts will be sent via email.

Illness Policy

If the child(ren) exhibits any of the symptoms listed below, the child(ren) shall not attend the facility until the symptoms are no longer exhibited or unless the Parent(s) has obtained a statement from the child's doctor stating that the child is not contagious. The final decision as to whether a child will be admitted to the facility will be made in the sole discretion of the MTT staff.

- 1-Persistent Diarrhea
- 2-Unusual Rashes
- 3-Lice
- 4-Communicable Disease
- 5-Vomiting
- 6-Red/pink eyes
- 7-Trouble breathing
- 8-Heavy nasal drainage

A child with a mild cold **MAY** attend childcare. This means that the nasal secretions are clear and watery and your child is happy, or has a low-grade fever (100 degrees F / 37.8 degrees C)

If the nasal secretions become thicker, yellow, and green, especially if accompanied by a fever, an earache, frequent night waking, or a peaked look - in parent jargon, a sick-looking-face-- please keep your child at home and call-the-doctor. Your child may have an ear or sinus infection.

If at any point symptoms become excessive, child becomes extremely irritable or child is unable to participate in regular activities, we believe that we are unable to provide quality care to all the children with the sick child present. A sick child should be allowed to recover fully after an illness so that other children in the group do not risk exposure and so that the child is able to fully participate in activities. You will not receive a refund or discount on your fees for the days your child is sent home sick.
